

Extract from minutes of 30th DCC

Item No.6

CONSIDERATION OF THE REPORT ON THE QUESTION AS TO WHETHER DRUGS CAN BE PERMITTED TO BE REPACKED IN THE PACK SIZE OTHER THAN THOSE SPECIFIED BY THE DRUGS CONTROLLER (INDIA) VIDE CIRCULAR NO.19015/4/80-D DATED 12.3.1982 - ITEM NO.30 OF 29TH L.C.C.

The list of repacking items has been discussed among the members. The Chairman considering the opinion of the members concluded that the items viz. Homatropine Hydrobromide I.P. Pilocarpine Nitrate I.P., Sulphacetamide Sodium I.P. have ophthalmic use and the same should be deleted from the repacking list. The members have been requested to give their comments within 3 month's time.

| 1- Drugs Controller, Orissa,
Bhubaneswar. | Chairman |
| 2- Drugs Controller, Delhi Admn,
Delhi. | Member |
| 3- Drugs Controller, Bihar, Patna. | Member |

Due to official pre-occupation, the Drugs Controller, Karnataka, Punjab and Rajasthan could not attend the meeting held at Bhubaneswar on 7th May, 1984.

The 29 th Drugs Consultative Committee meeting desired that review of pack sizes drugs which was recommended by the the Drugs Consultative meeting held during 1982, which was duly circulated vide Drugs Controller(India) circular No. 19013/4/80 dated 12th March, 1982 be got examined by a sub-committee comprising of the above members. The committee met on 7th May, 1984 at Bhubaneswar.

Since the report has to be submitted in a time bound way to the Drugs Controller(India), the Chairman requested the members present to give their learned views.

Members felt that the earlier recommended pack sizes did not give any scope to the State Licensing Authorities to permit the repack to adopt any other packaging sizes which are required by the hospitals/medical institutions and other public sector undertaking. The committee felt that this aspect has to be looked after. The Drugs Controllers, who participated in the meeting also gave an opportunity to various repackers in the respective States to know as to what packaging sizes are generally required and ideal for trade, hospitals and public sector under taking. The submission of association was considered. Keeping this in view, the:- The various packaging sizes have been recommended for consideration(enclosed).

Though the Sub-Committee constituted is meant specifically to suggest for packaging sizes, as such do not have scope to recommend the additional list. The sub-committee felt that since the last list was got prepared during 1982, the sub-committee felt an additional list may be got prepared and be appended(enclosed) with the report of packaging sizes for consideration by the members of the Drugs Consultative Committee meeting, so as to enlarge the present list of 86(eightsix) items.

 D.C. INDIA LIST! LIST OF ITEMS TO BE PERMITTED FOR REPACKING

Sl. No.	Name	Made of packing labelling instruction	Recommended pack size in Grams./mls
1	2	3	4
1.	Acacia I.P.		
2.	Acetic Acid I.P.	Moisture proof container Amber Glass container with P.P.cap.	500 grams. 500 Grams.
3.	Acetyl salicylic Acid I.P.		500 grams.
4.	Acriflavine BPC		5/25/100 grams.
5.	Ammonium Bicarbonate I.P.		500 grams.
6.	Ammonium Bromide I.P.		500 grams.
7.	Ammonium chloride I.P.		500 grams.
8.	Barium sulphate I.P.		500 grams.
9.	Bees Wax White I.P.		500 grams/1000Gm.
10.	Bees Wax Yellow I.P.		500 grams/1000 gram.
11.	Bentonite I.P.		500 grams.
12.	Bentonic Acid I.P.		500/1000 grams
13.	Benzyl Bensoate I.P.		500/1000ml.
14.	Borax I.P.		25/500 Gm.
15.	Boric Acid I.P.		25/50/100/500 Gm.
16.	Caffeine Citrate I.P.		500/1000/5000 gm.
17.	Calamine I.P.		500 gm./1000 gm.
18.	Calcium Carbonate I.P.(Precipitated chalk)		500/1000 gm.
19.	Calcium Dibasic Phosphate I.P.		500 gm.
20.	Calcium Gluconate I.P.		500/1000 gm.
21.	Calcium Lactate I.P.		500 gm.
22.	Castor oil I.P.		500/1000 gm.
23.	Cetrimide I.P.		100 gm.
24.	Chalk B.P.(Creta)		500 gm.
25.	Chaulmoogra oil I.P.	Amber glass container with PP Cap.	25/100/500 ml.
26.	Chlorinated Lime I.P.	-do-	25/500g.
27.	Cinnamon oil I.P.	-do-	25/500 g.
28.	Citronelle oil I.P.	-do-	25/100 ml.
29.	Citric Acid I.P.		25/500/1000 gm.

	1	2	3	4	5
30. Clove oil I.P.				Amber glass container with P.P. cap tube labelled as "Not for parenteral use.	5ml/25ml/100ml
31. Dextrose Monohydrate					100/500 gm.
32. Dried Ferrous Sulphate IP.				Moisture proof container	100/500 gm.
33. Ephedrine Hydrochloride (P.					100/500 gm. X
34. Eucalyptus Oil I.P.				Amber glass container with PP cap,	25/100/500 ml.
35. Feric Ammonium citrate IP				-do-	500/1000 gm.
36. Ferrous sulphate IP.				Moisture proof container	500/1000 gm.
37. Formaldehyde solution IP.				Amber glass container with PP cap	500/1000/5000 ml.
38. Glycerine I.P.					10/25/50/100/500 ml
39. Guar Gum I.P.					500/1000 gm.
40. Ichthamol I.P.					500/1000 gm.
41. Osa/Go Husk I.P.					25/100/500 gm.
42. Light Kaolin I.P.					500 gm.
43. Liquid Paraffin I.P.					25/50/100/500 gm.
44. Magnesium Carbonate Heavy I.P.					500/1000 gm.
45. Magnesium Carbonate Light IP.					500/1000 gm.
46. Magnesium Oxide Light I.P.					500/1000 gm.
47. Magnesium Sulphate I.P.					500/1000 gm.
48. Magnesium Trisilicate I.P.					500/1000 gm.
49. Mentha Oil I.P.				Amber glass container with PP cap.	25/50/100 ml.
50. Menthol				-do-	25/50/500 gm.
51. Mercurous chloride I.P.				-do-	25/50/100 gm.
52. Methylene Blue I.P.				-do-	25/50/100 gm.
53. Methyl salicylate				-do-	25/100/500 gm.
54. Nutmeg oil I.P.				-do-	25/50/100/500 ml.
55. Paraldehyde I.P.				-do-	500/1000 ml.
56. Phenol I.P.				-do-	100/500 gm.
57. Potassium Acetate I.P.				-do-	100/500 gm.
58. Potassium Bitartrate IP.					500 g.
59. Potassium Bicarbonate I.P.					500 gm.
60. Potassium Citrate I.P.					500 gm.

63.	Potassium Permanganate I.P.	500 gm.
64.	Precipitated Sulphur I.P.	100/500/1000 gm.
65.	Proflavine Hemisulphate IP.	25/100/500 gm.
66.	Purified Talc I.P.	100/500/1000 gm.
67.	Salicylic Acid I.P.	25/100/500 gm.
68.	Sodium Benzoate I.P.	100 gm/500 gm.
69.	Sodium Bicarbonate I.P.	500/1000 gm.
70.	Sodium Bromide I.P.	50/100 gm.
71.	Sodium chloride I.P.	100/500/1000 gm.
72.	Sodium citrate I.P.	Moisture proof container
73.	Sodium Lauryl, Sulphate I.P.	500 gm.
74.	Sodium Metabisulphate I.P.	Amber glass container with PP cap. 100/500/1000 gm.
75.	Sodium Potassium Tartrate IP.	500/1000 gm.
76.	Sodium Salicylate I.P.	500 g.
77.	Soft paraffin white I.P.	500/1000/5000/1500 gms. 2kg.
78.	Soft paraffin yellow IP.	500/1000/2000/5000/15000 gm.
79.	Starch I.P.	500/1000/2000/5000/15000 gm.
80.	Sublimed Sulphur I.P.	500/1000/5000 gm.
81.	Tannic Acid I.P.	Air tight container with PP cap. 25/100/500 gm.
82.	Thymol I.P.	Amber glass container with PP cap. 25/100/500 gm.
83.	Turpentine Oil I.P.	Opaque container with PP cap. 25/100/500 ml.
84.	Wool fat I.P.	500/1000 gm.
85.	Zinc Oxide I.P.	500/1000 gm
86.	Zinc Sulphate I.P.	500 g./1000 g.
