Self inspection / audit of Drug sale unit (Retail and / or Wholesale units)

Abbreviations: RSDL: Retail Sale Drugs License WSDL: Whole Sale Drugs License CP: Competent person (RP/EP) RP: Regd. Pharmacist EP: Experience Person	RMP: Regd. Medical Practitioner DCO: Drugs Control Officer NSQ: not of std. quality CS: Civil Surgeon TB: Tuberculosis
---	--

Self inspection / audit of the drug sale units (RSDL and or WSDL) is suggested for the assessment of the working of the firm, whether the firm is working as per the Drugs and Cosmetics Act 1940 and Rules framed thereunder or not.

Self inspection / audit should be conducted periodically by the Prop. / Partners / Directors and / or Competent Person (Regd. Pharmacist / Experience Person) of the firm and improvement or rectification should be done immediately as per the observations during self inspection / audit. Here is the checklist for self inspection / audit for RSDL and or WSDL:
